XX International Scientific Readings named after Igor Sikorsky

**April 23-28, 2018,
St. Petersburg State University of Civil Aviation**

Information mail

From April 23 to April 28, 2018, at the St. Petersburg State University of Civil Aviation, by tradition, the International Scientific Readings of Igor Sikorsky will be held. Readings are held since 1999.

To date, Readings are an acknowledged platform for meetings, scientific and historical discussions and the exchange of experience among representatives of the aviation community in Russia, near and far abroad - historians, scientists, production specialists, descendants of Russian aviators, students and schoolchildren.

The program of the Readings includes: a plenary session; a joint meeting of aviation historians, museum workers and a club of descendants of Russian aviators; section of students, schoolchildren, graduate students and young scientists; seminar on museum matters; outreach activities; cultural program. This year, within the framework of the Readings, the Second Festival of Aviation Museums of Russia will be held.

To participate in the Readings are invited: aviation historians, scientists, researchers, descendants of Russian and foreign aviators, young scientists, graduate students, students, representatives of civil aviation enterprises and related industries, representatives of scientific and educational institutions, museums, journalists, private individuals - all, who is interested in the history and modernity of civil aviation, the prospects for its development.

Applications for participation in the Readings are accepted from February 5 to March 30, 2018. For registration it is necessary to fill in the Registration form of the participant and send it by e-mail sikorskyspb@yandex.ru or by fax (812) 704-15-20. The registration form is available on the websites www.spbguga.ru and www.aviamuseumspsb.ru in the section "International scientific readings named after I. I. Sikorsky"

The Organizing Committee does not pay for transportation costs, accommodation and meals.

Registration fee for participation in the Readings is not charged.

The subject of the XXth Scientific Readings of I. I. Sikorsky and the registration form are attached to this information letter.
